Note: This index is not comprehensive. Only the first two and particularly significant references to characters are given. Only the opening page number is given for scenes or topics that may run on for several pages.

Under the name of the narrator of each novel, or section of a novel, the initials of the title, and the page numbers of the section, are given in bold, and only particularly significant page references are given.

Susan Howatch's novels are indicated by the initials of their titles, given in order of publication, as: GI, GP, UP, SR, AT, MP, WW, HF, TH.

Titles of films and novels, types of flowers, districts of London, names of schools, songs, and places in Starbridge are listed under the headings: films, flowers, London, novels, schools, songs, and Starbridge.
